26	Selank	129954-34-3	HPLC>98.0%	g	\$320					
27	NNMTi	42464-96-0	HPLC>98.0%	g	\$240	\$240/100g, this price for 100g				
28	Thymalfasin	62304-98-7	HPLC>98.0%	g	\$790					

Summary:

1. We supply: Pure powder, Lyophilized powder, Pill, Capsules.

2. **Lyophilized powder**

Customize as your specification; Supply lyophilizer machine.

3. **Pill**

If your qty is worth to customize, we can customize as your request. We supply pill press machine, pls visit our website, choose what you want online:

<https://www.achievechem.com/pill-press>

4. **Capsule**

If your qty is worth to customize, we can customize as your request.
